

I can not wait to greet all of my friends at the nursery this year! We will be having nursery during our afternoon and evening service in the Massey Chapel; we open the doors to the nursery 30 minutes before service. Our main focus this year for the nursery is age appropriate engaging bible lessons. I think safety and education are the top priorities when caring for children. There is nothing more amazing than watching a child figure out how something works and understand a concept for the first time. To achieve and ensure the safety and enjoyment of the nursery for our littles we will have engaging games, songs, stories and activities for them! Now in order to have all this fun we do have to have a few rules; the number of children allowed in the nursery is based on the number of workers who have volunteered for the nursery. I will not permit more than 10 children per two volunteers and will not exceed a maximum of 80 children. However, ratio and maximum are at my discretion and are subject to change.

- ❖ For a full list of rules click here , all parents will be required to sign before dropping off children.
- ❖ If you would like to pre-fill out a nursery enrollment form to make the line seem a little shorter, please email me.
- ❖ If you would like to volunteer for the nursery and help us care for these amazing children, please email me or Candace Leach.
